CIRCULAR.

CONFEDERATE STATES OF AMERICA, SUBSISTENCE DEPARTMENT.

1st. The prices to be charged for the articles of the ration sold to officers on duty not in the field, will be those fixed by the Schedule of the State Commissioners, respectively, with the cost of transportation, as near as can be ascertained. If the State Commissioners of any State fail to announce a schedule, then the Commissaries in that State will charge the cost of the articles, with the cost of transportation added, as near as can be ascertained.

2d. Officers on duty in the field can draw *one ration* per day, but cannot purchase any thing whatever from the Commissary Department. Officers on duty, not in the field, can purchase only *one ration* per day from the Commissary Department.

3d. Only such articles in quantity and quality, as are at the time issued to soldiers as a ration, shall be issued or sold to officers.

Approved:

J. A. SEDDON,
Sec'y of War.

*This to take effect at the
time of promulgation of G.O. No. 28
of 1864 -*

*The amount of Subsistence an officer
was allowed to purchase previous to
G.O. No. 28. was not fixed generally
throughout the Confederate States - see index
of 17th 1867. -*
